Current Jira Screenshot:

Current GitHub Screenshot:

Presentation:

1. Requirements Presentation (TO-DO)
2. Design Presentation (TO-DO)
3. Prototype Presentation (TO-DO)
4. Final Presentation (TO-DO)

How to Work Effectively:

1. Use Github for code tracking and version control
 2. Use Google Sheets to assign tasks/ and show work
 3. Google Docs for documentation
 4. Discord for communication
 5. Weekly meetings: 7pm Fridays; require 1 hour notice if someone cant make it
- Work distribution for current task (Requirements specification)
